CANDIDATE'S STATEMENT

We each have ideas about what is **best** for Lodi and what is important to us. These ideas are challenged and redefined **as our** life unfolds before us. The essence, I believe, includes health, happiness, safety and freedom

Health not **only** includes the services provided by our unique, community Hospital, but the many complimentary services available in Lodi.

Happiness comes from the joy of a family, fellowship of a Church, enjoyment from our parks and recreations.

Security knowing we have **skilled** police officers and support programs guarding our community. Comfort that in the event of a fire or medical need, we have dedicated firefighters who are trained and ready. Pride knowing Lodi **has** ownership of its Utilities. Whom **better** than these organizations to respond when our safety is in jeopardy?

Freedom, **for** we each **have** a role to **maintain** the **quality** of Lodi **so** that, in turn, we **maintain** the **quality** of our lives. My interest is **serving as** a representative of your City Council.

A four-year position – quality matters. I'm a team player, committed. I **will** exercise prudent decisions, be fiscally responsible, fair **and** decent regarding issues that come before the Council.
